Marion Stolle is a photographer and professional nurse. Serving as a caregiver for her mother and husband gave her a sensitivity of helping others with a mindset encompassing the total person (physical, mental, social, and spiritual). As a result, her focus shifted to a holistic approach. This prompted her to begin a health and wellness business 35 years ago helping people create healthier lives. Today as a Holistic RN, Healthy Living Advocate, Wellness Educator and Wellness Coach her passion continues to help people develop safe, simple, effective and natural strategies for optimal energy and health.

The Centerville Arts Commission was created by Centerville City Council to involve the citizens of the Centerville area in the visual and performing arts.
