Rules and Policies

1. Course Facilities

The golf course facilities include the clubhouse, 18 hole golf course, 9 hole golf course, practice facilities, parking lots, lakes and ponds, golf car paths, etc. and are for the exclusive use of guests at The Golf Club at Yankee Trace and are not to be used for any purpose other than those designed by management. Children under the age of twelve must be accompanied by an adult at all times.

2. Dress Code

To protect the rights and privileges of all persons at Yankee Trace, proper attire must be worn at all times on the golf course and on the practice facilities from April 1st through November 1st. Work jeans, bathing attire, t-shirts, gym and tennis shorts, cut-offs and short shorts, tank tops, halter tops, and other similar dress are inappropriate. Recommended length of shorts is Bermuda length, approximately 3 inches above the knee. Collared or mock neck shirts are required.

Any guest not in compliance with this policy may be restricted from use of the facilities until properly attired. Ready-to-wear shirts, pants, and shorts are available for sale in the golf shop.

3. Restricted Activities

Fishing, swimming, hunting, jogging, bicycle riding, walking, and other non-golf related activities are not permitted on golf course grounds.

Personal beverage coolers are prohibited at Yankee Trace. All beverages must be purchased from Yankee Trace.

All players on the course must have their own set of golf clubs. Sharing of club sets is not permitted.

4. Pets

Pets are not permitted in the clubhouse or on the grounds.

5. Snow Recreation Policy

Snow sports, such as sledding, skiing, ice skating and snow-mobile riding are not permitted on course grounds.

6. Play at Yankee Trace

A. Practice Facilities

[The Golf Club at Yankee Trace has the most elaborate practice facilities in the area. A double-ended practice range with bent grass target greens, extensive practice putting and chipping areas await the golfer who wants to work on their game.] The practice facility hours will be consistent with golf course operating hours, opening one-half hour before the first tee time on weekends,

twenty minutes before the first tee time on weekdays, and closing one hour before dark.

B. Tee Time Reservations

Annual Fee Members will have priority access to tee times 14 days in advance. City of Centerville residents may make starting times eight days in advance. Tee times made online at www.yankeetrace.org can be made ten days in advance. A credit card is required to reserve a tee time.

One individual may reserve two starting times for their group. Any requests for additional starting times must be approved by the head golf professional.

Juniors may make tee times Monday-Thursday anytime, and Friday, Saturday, Sunday, and Holidays after 12:00 p.m.

C. Cancellation Policy

To protect the access rights of all golfers, a 48 hour cancellation policy will be enforced by The Golf Club at Yankee Trace. Failure to show for a starting time results in another golfer not being able to use the facility at their desired time, perhaps not at all.

Any starting time made in advance of this time period may be canceled with a member of the golf staff via telephone. Records of no-shows will be kept, and if, after notice is given, the problem continues, the habitual offender will lose their advance starting time privilege for 30 days. The credit card used to reserve a tee time may be charged the applicable green fee if golfer fails to show for a reserved tee time.

D. Golf Cars

1. A junior golfer must present a valid driver's license before being permitted to drive a golf car.
2. Non-golfing guests are permitted to ride along with a playing guest with permission from the Head Professional. Payment of the applicable golf car fee is required.

E. Course Care

All players at Yankee Trace are reminded to obey the cart rules of the day, repair ball marks, divots, and rake bunkers. Try to leave the course in better condition than you found it.

F. Speed of Play

Our goal at The Golf Club at Yankee Trace is to provide an enjoyable atmosphere for all during their round of golf. One of the most important aspects in this regard is speed of play. It is the responsibility of the golfer to maintain a proper pace of play during their round of golf. A round of golf should not last more than 4 ½ hours.

Speed of play time goals will be communicated to each group of golfers by the golf shop staff and starters and rangers as well as noted on the scorecard. Each group will be monitored for their pace of play during the round by staff, who will communicate to the golfers how they are progressing with regard to their pace of play. The starter and ranger staff are to provide assistance to each group to maintain their pace and do whatever they can to make each group's golfing experience an enjoyable one.

After repeated violations, groups not cooperating with our pace of play policies may incur sanctions, which could involve expulsion from the course or restriction from future prime time playing privileges.

G. Homeowner Relations

Golfers are permitted to enter adjacent homeowner rear yards to retrieve errant golf balls within 30 feet of golf course boundary, but are not permitted under any circumstances to drive golf cars on adjacent property nor to play any shot from adjacent property. The boundaries of the golf course are clearly marked by white out-of-bounds stakes.

Golfers must notify the Golf Shop staff should any damage be incurred to a home or homeowner property. The Golf Club at Yankee Trace is not responsible for damage incurred to homes or homeowner property as a result of errant golf balls. Damages incurred to homes or homeowner property as a result of golf balls shall be the responsibility of the golfer who hit the errant ball.

H. Junior Golfers

A junior golfer is defined as any golfer between the ages of 6 and 17 years old. Children under the age of 6 are not permitted on the course. Children under the age of 5 are not permitted on the practice range. Children under the age of 5 may use the clubhouse putting green when accompanied by an adult.

A junior golfer must have his or her own set of clubs to play the course.

A junior golfer may play with a group of two or more adults during busy periods of time at normal greens fees. Junior golfers must be at least 12 years of age in order to be on the premises without an adult.

Junior golfers must have a valid driver's license in order to drive a golf car.

I. Payment Procedures

Cash, MasterCard, American Express, Discover, and Visa credit cards are all accepted forms of payment in the golf clubhouse for all goods and services purchased at Yankee Trace.
