

ORDINANCE NO. 899
CITY OF CENTERVILLE, OHIO

SPONSORED BY COUNCILMEMBER C MARK KING ON THE
17th DAY OF MAY, 1999.

AN ORDINANCE ENACTED BY THE CITY OF
CENTERVILLE, MONTGOMERY COUNTY, OHIO IN THE
MATTER OF THE HEREINAFTER DESCRIBED
IMPROVEMENT AND TO REQUEST COOPERATION BY
THE DIRECTOR OF TRANSPORTATION.

WHEREAS, the City has identified the need for and proposes the improvement of a
portion of the public highway which is described as follows:

The replacement of a 21 foot bridge over a tributary to Holes Creek
with minimal approach work. Said structure is identified as MOT-
48-0516 and further identified by Structure File No. 5703638. Said
project will be identified as MOT-48-05.16, said portion of highway
within the municipal corporation limits being hereinafter referred to
as the improvement, and

WHEREAS, the City further desires cooperation from the Director of Transportation in
the planning, design and construction of said improvement.

NOW THEREFORE, THE MUNICIPALITY OF CENTERVILLE HEREBY
ORDAINS:

Section 1. That the City of Centerville hereby requests the cooperation of the Director
of Transportation in the cost of the above described improvement as follows:

Consent is given by the City for the above improvement, and further the City will assume
and bear one hundred percent (100%) of the total cost of those features requested by the
City which are not necessary for the improvement, as determined by the State and the
Federal Highway Administration.

Section 2. That it is declared to be in the public interest that the consent of the City of
Centerville be and such consent is hereby given to the Director of Transportation to construct the
above described improvement, in accordance with plans, specifications and estimates as approved
by the Director.

Section 3. That the City Manager of the City of Centerville, is hereby empowered and
directed on behalf of the City to enter into agreements with the Director of Transportation
necessary to complete the planning and construction of this improvement.

Section 4. That traffic control devices installed within the limits of the project will conform with Section 4511 of the Ohio Revised Code.

Section 5. That upon completion of said improvement, the City of Centerville will thereafter keep said highway open to traffic at all times, and

- (a) Maintain the improvement in accordance with the provisions of the statutes relating thereto and make ample financial and other provisions for such maintenance; and
- (b) Maintain the right-of-way and keep it free of obstructions in a manner satisfactory to the State of Ohio and hold said right-of-way inviolate for public highway purposes and permit no signs, posters, billboards, roadside stands or other private installations within the right-of-way limits; and
- (c) Place and maintain all traffic control devices conforming to the Ohio Manual of Uniform Traffic Control Devices on the improvement in compliance with the provisions of Section 4511.11 and related section of the Ohio Revised Code.
- (d) Regulate parking in following manner:
Prohibit parking in accordance with Section 4511 of the Ohio Revised Code, unless otherwise controlled by local ordinance or resolution.

Section 6.

- (a) That all existing street and public way right-of-way within the City which is necessary for the aforesaid improvement, shall be made available therefor.
- (b) That the State will acquire any additional right-of-way required for the construction of the aforesaid improvement.
- (c) That arrangements have been or will be made with and agreements obtained from all public utility companies whose line or structures will be affected by the said improvement and said companies have agreed to make any and all necessary plant removals or rearrangements in such a manner as to be clear of any construction called for by the plans of said improvement and said companies have agreed to make such necessary rearrangements immediately after notification by the City of Centerville or the Department of Transportation.
- (d) That it is hereby agreed that the City shall at its own expense, make all rearrangements of water mains, service lines, fire hydrants, valve boxes, sanitary sewers or other municipally owned utilities and/or any appurtenances thereto, which do not comply with the provisions of Directive H-P-508 inside or outside the corporate limits as may be necessary to conform to the said improvement and said rearrangements shall be done at such time as requested by the Department of Transportation Engineer.
- (e) That the construction, reconstruction, and/or rearrangement of both publicly and privately owned utilities, referred to in subsections (c) and (d) above, shall be done in such a manner as not to interfere unduly with the operation of the contractor constructing the improvement and all backfilling of trenches made necessary by such utility rearrangements shall be performed in accordance with the provisions of the Ohio Department of Transportation Construction and Material Specifications and shall be subject to approval by the State.

- (f) That the installation of all utility facilities on the right of way shall conform with the requirements of the Federal Highway Administration Policy and Procedure Memorandum 30-4 "Utility Relocations and Adjustments" and the Department of Transportation's rules on Utility Accommodation.
- (g) That the City hereby agrees to accept responsibility for any and all damages or claims for which it is legally liable arising from the negligence of its officers, employees or agents in the performance of the City's obligations made or agreed to in Sections (a), (b), (c), (d), (e) and (f) hereinabove. Likewise, The State agrees to accept responsibility for any and all damages or claims for which it is legally liable arising from the negligence of its officers, employees or agents in the performance of the State's obligations made or agreed to in Section (a), (b), (c), (d), (e) and (f) hereinabove.

Section 7. This Ordinance shall become effective at the earliest date allowed by law.

PASSED this 17th day of MAY, 1999.
