All employees will be hired as probationary employees and shall remain so classified for a minimum of 6 months, or until granted permanent status by the City Manager. Upon completion of the probationary period, an employee may be hired as a regular employee, have his/her probationary period extended for a period not to exceed 6 months, or may be discharged.

Certain departments may, upon adoption and with approval of the City Manager, institute standard probationary periods not to exceed 2 years.

B. When a vacancy occurs in any department, the City Manager is authorized to hire a replacement within the same pay range or grade, consistent with budget authorizations.

C. Subject to satisfactory efficiency ratings, an employee covered under the wage and salary plan on Attachment A or B, may be moved into the next pay step or granted an increase upon the successful completion of his/her probationary period.

D. Employees paid subject to Attachment B are eligible for a merit increase once per year after being designated as a regular employee up to the maximum as provided for in Attachment B.

E. Any employee advanced to a higher position through promotion shall receive an increase in pay.

F. Full-time employees are individuals who regularly work a minimum of forty hours per week on a year-round basis. Part-time employees are those who work fewer than forty hours per week on a year-round basis. Temporary workers are those who work only during short periods of the year. Fringe benefits apply only to full-time employees, except when prorated for part-time employees by authorization of the City Manager, or except as otherwise provided herein.

Vacation may not be accumulated beyond the number of days equal to twice the annual rate prescribed above for the employee's given years of service, and is lost if not taken. The City shall not recognize prior public service for the purposes of computing vacation accrual.

D. Life Insurance All full-time employees of the City of Centerville, in addition to compensation provided in this Ordinance, for each person requesting coverage, shall be provided with twenty-four (24) hour term life insurance coverage in the amount of twice their annual salary as rounded off to the nearest thousand dollars, including double indemnity for accidental death, and dismemberment. Benefits may be reduced by the insurance company upon reaching age 65. The City shall pay the premium for such group contract life insurance, and the City Manager is hereby authorized and directed to enter into such an insurance contract.

E. Injury Leave At the discretion of the City Manager, any employee receiving Worker's Compensation Benefits, but not receiving Sick Leave, may be paid the difference between such compensation and his/her regular pay if permitted by the rules and regulations of the Worker's Compensation Act. Compensation for lost time paid by the Industrial Commission to the employee on injury leave, if overlapped with City pay, shall be deposited with the Finance Director for such time as the employee receives full wages from the City.

F. Sick Leave All full-time employees of the City of Centerville hired before January 1, 1995, shall accrue 12 hours of sick leave per month of employment. All full-time employees hired on or after January 1, 1995, shall accrue 8 hours of sick leave per month of employment. A maximum of 720 hours shall be used in the event of sickness; that said sick leave shall be accrued each pay period and effective from day of employment.

After three (3) days of illness, a doctor's certificate shall be presented to the Department/Division Head specifically describing the illness. The City reserves the right to require a doctor's certificate for illnesses less than 3 days.

Each full-time employee may, after accumulation of 840 hours of unused sick leave, elect at his/her option to exchange that unused sick leave over and above 720 hours for pay at the rate of 24 sick leave hours for 8 hours of pay. Conversion of sick pay shall be in five day increments. To effect said exchange, an employee electing same shall so notify the Finance Director in writing whereupon said payment shall be made.

No employee may accrue more than 960 hours of total sick leave. The City shall not credit new employees with sick leave accrued while with a previous employer.

G. Family Leave Any person employed over 19 hours a week who has worked 1250 hours the previous year, and who requires a leave to care for a spouse, child or parent with a serious illness or the birth or adoption of a child, shall be entitled to unpaid family leave for up to 90 days.

Employees may use any accrued sick leave to care for a spouse, child or parent with a serious illness or for the birth of a child, in addition to any accrued vacation or personal leave in order to be compensated during this time off. For the adoption of a child, employees may use accrued vacation or personal leave in order to be compensated during this time off.

While in a paid status, this leave shall in no way affect vacation or sick leave accrual, health insurance or other benefits or the employee's job status. While in an unpaid status, this leave shall not affect the employee's job status.

H. Bereavement Leave Any full-time employee may, upon authorization of the Department/Division Head and City Manager, receive up to 3 days paid leave for the death of a relative.

Maintenance and replacement of said uniforms is accomplished by budgeting an amount equal to \$275 per person times the number of total uniformed personnel, for replacement of worn and damaged uniforms and equipment.

Employees of the Service Department shall be furnished work uniforms and other safety equipment as needed. No employee shall wear or use any uniform or city-owned equipment except while on duty for the City or traveling to or from their job. All uniforms remain the property of the City of Centerville.

K. Supplemental Retirement Plan Any full-time employee of the City who is eligible for participation in the Public Employees Retirement System or the Police Pension Fund of the State of Ohio shall be entitled to the following supplemental retirement benefits upon retirement. To receive said benefits, the employee must have accrued 80 hours of sick leave for each year of service with the City up to a maximum of 600 hours accrued sick leave required for participation.

Provided the employee has met the foregoing requirements, upon retirement or disability retirement the employee shall be allowed to exchange the unused sick leave days for a cash payment of two hundred fifty (\$250.00) dollars per year of service, or increment of this amount to be rounded up to the nearest quarter of a year.

In the event of the death of an employee, the immediate family of the employee is entitled to make the same exchange of unused sick leave days for cash payment regardless of whether said employee's immediate family is eligible for participation in Public Employee's Retirement System or the Police Pension Fund of Ohio or any other public employee benefit program.

L. Employee Merit and Longevity Program Full-time employees with 6.5 or more years of service with the City, in addition to being at the top step of their pay grade, are eligible for an annual bonus payment, which will reward longevity of employment and meritorious service to the City.

Eligibility for the bonus is determined by length of service, and the employee achieving an overall "above average" rating of their job performance, as determined by their department head/supervisor.

The following service levels and amounts will be implemented:

<u>Years of Service</u>	<u>Amount</u>
after 6.5 years but less than 10 years	\$250
