SECTION 4. EFFECTIVE PERIOD

A. Said tax shall be levied, collected and paid with respect to the salaries, wages, commissions and other compensation received and shall be levied with respect to the net profits of businesses, professions or other activities earned and accrued or received from and after September 1, 1970 to December 31, 1976.

SECTION 5. RETURN AND PAYMENT OF TAX

A. Each person who engages in business or other activity or whose salary, wage, commission or other compensation is subject to the tax imposed by this Ordinance, shall, whether or not a tax be due thereon, make and file a return on or before April 30 of the year following the effective date of this Ordinance, and on or before April 30 of each year thereafter. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed within four (4) months from the end of such fiscal year or period. The Superintendent is hereby authorized to provide by regulation that the return of an employer or employers, showing the amount of tax deducted by said employer or employers from the salaries, wages, commissions or other compensation of an employee, and paid by him or them to the Superintendent may be accepted as the return required of an employee whose sole income, subject to tax under this Ordinance, is such salaries, wages, commissions or other compensation.

B. The return shall be filed with the Superintendent on a form or forms furnished by or obtainable upon request from the Superintendent setting forth:

1. The aggregate amount of salaries, wages, commissions and other compensation received by him and gross income from business, profession or other activity, less allowable expenses incurred in the acquisition of such gross income earned during the preceding year and subject to said tax; and
2. The amount of the tax imposed by this Ordinance on such earnings and profits; and
3. Such other pertinent statements, information returns or other information as the Superintendent may require.

C. The Superintendent may extend the time for filing of the annual return upon the request of the taxpayer for a period of not to exceed six (6) months or one (1) month beyond any extension requested of or granted by the Internal Revenue Service for the filing of the Federal income tax return. The Superintendent may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon by the date the return is normally due.

- D. 1. The taxpayer making a return shall, at the time of the filing thereof, pay to the Superintendent the amount of taxes shown as due thereon; provided, however, that credit shall be allowed for:
- (a) Any portion of the tax so due which shall have been deducted at the source pursuant to the provisions of Section 6 of this Ordinance; and
 - (b) Any portion of said tax which shall have been paid by the taxpayer pursuant to the provisions of Section 7 of this Ordinance; and
 - (c) Credit to the extent allowed by Section 15 hereof for tax paid to another municipality.

2. Subject to the limitations contained in Section 11 of this Ordinance, any taxpayer who has overpaid the amount of tax to which the City of Centerville is entitled under the provisions of this Ordinance may have such overpayment applied against any subsequent liability hereunder or, at his election indicated on the return, such overpayment (or part thereof) shall be refunded.

E. 1. AMENDED RETURNS

Where necessary, an amended return must be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements and/or limitations contained in Section 11. Such amended returns shall be on a form obtainable upon request from the Superintendent. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return without the approval of the Superintendent.

Ordinance No. 30-70 cont.

Passed

2. Within three (3) months from the final determination of any Federal tax liability affecting the taxpayer's City of Centerville tax liability, such taxpayer shall make and file an amended City of Centerville return showing income subject to the City of Centerville tax based upon such final determination of Federal tax liability and pay any additional tax shown due thereon or make claim for refund of any overpayment.

F. Information returns, schedules and statements required to support tax returns which are incomplete without such information shall be filed within the time limits set forth for the filing of the tax returns and the failure to file such information returns, schedules and statements shall be deemed to be a violation of this Ordinance. Provided, however, that the taxpayer shall have ten (10) days after notification by the Superintendent, or his authorized representative, to file the items required by this paragraph.

SECTION 6. COLLECTION AT SOURCE

A. 1. Each employer shall at the time of the payment of any salary, wage, commission or other compensation, deduct the tax of one percent (1.00%) beginning September 1, 1970 of the gross salaries, wages, commissions or other compensation due by the said employer to his employees who are subject to the provisions of this Ordinance. In making such deduction at the time of payment, the employer shall compute the tax to the nearest full cent so that mills of five (5) or more shall be increased to the next full cent and mills less than five (5) shall be dropped. No person shall be entitled to a refund merely because such rounding off of the tax results in an apparent overpayment based on his total earnings. Each employer shall, on or before the last day of each month, make a return and pay to the Superintendent, the tax withheld during the preceding month. Provided, however, the Superintendent shall have the authority to approve the filing of returns and payments of the tax withheld on a quarterly basis. In such case, the employer shall, on or before the last day of each month following the calendar quarters ending March 31, June 30, September 30 and December 31, make a return and pay to the Superintendent the tax withheld during the preceding calendar quarter. Such approval for quarterly filings and payments may be withdrawn by the Superintendent when it is to the best interest of the City of Centerville to do so. The Superintendent shall provide by regulation, the manner in which such approval is to be granted or withdrawn

2. The employer shall be liable for the payment of the tax required to be deducted and withheld, whether or not such tax has in fact been withheld.

B. Such employer in collecting said tax, shall be deemed to hold the same, until payment is made by such employer to the City of Centerville, as a Trustee for the benefit of the City of Centerville and any such tax collected by such employer from his employees shall, until the same is paid to the City of Centerville, be deemed a trust fund in the hands of such employer.

C. No person shall be required to withhold the tax on the wages or other compensation paid domestic servants employed by him exclusively in or about such person's residence, even though such residence is in the City of Centerville, but such employee shall be subject to all of the requirements of this Ordinance.

D. On or before January 31 of each year beginning with the year 1971, each employer shall file a withholding return on a form prescribed by and obtainable upon request from the Superintendent, setting forth the names and addresses of all employees from whose compensation the tax was withheld during the preceding calendar year and the amount of tax withheld from his employees and such other information as may be required by the Rules and Regulations adopted by the Superintendent.

SECTION 7. DECLARATIONS

A. Every person who anticipates the receipt of any taxable income which is not subject to Section 6 hereof, or who engages in any business, profession, enterprise or activity subject to the tax imposed by Section 3 hereof, shall file a declaration setting forth such person's estimated taxable income together with any estimated tax due thereon, if any; provided, however, if a person's income is wholly from wages from which the tax will be withheld and remitted to the City of Centerville in accordance with Section 6 hereof, such person need not file a declaration.

Ordinance No. 30-70 cont.

Passed

19

- B. 1. Such declaration shall be filed on or before April 30 of each year during the life of this Ordinance, or within four (4) months after the date the taxpayer becomes subject to the provisions of this Ordinance.
- 2. Those taxpayers reporting on a fiscal year basis shall file a declaration within four (4) months after the beginning of each fiscal year or period.
- C. 1. Such declaration shall be filed upon a form furnished by or obtainable upon request from the Superintendent, provided, however, credit shall be taken for the City of Centerville tax to be withheld from any portion of such income to determine the estimated tax due. In accordance with the provisions of Section 15 hereof, credit may be taken for tax to be paid to or to be withheld and remitted to another taxing municipality.
- 2. The original declaration (or any subsequent amendment thereof) may be amended at any time.
- 3. An amended declaration must be filed on or before January 31 of the following year, or in the case of a taxpayer on a fiscal year, on or before the date fixed by regulation of the Superintendent if it appears that the original declaration made for such taxable year underestimated the taxpayer's income by thirty percent (30%) or more. At such time a payment which, together with prior payments, is sufficient to pay the taxpayer's entire estimated liability shall be made. If upon the filing of the return required by Section 5 hereof, it appears that the taxpayer did not pay seventy percent (70%) of his tax liability, as shown on said return, on or before January 31, or the date fixed by regulations, whichever is applicable, the difference between seventy percent (70%) of said taxpayer's liability and the amount of estimated tax actually paid on or before January 31, or the date fixed by regulation, whichever is applicable, shall be subject to the interest and penalty provisions of Section 10 hereof.
- D. 1. Such declaration of net estimated tax to be paid the City of Centerville shall be accompanied by a payment of at least one-fourth (1/4) of the estimated annual tax, less credit, and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year. Provided, however, that in case an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.
- 2. Provided, further, however, that the last quarterly payment of estimated tax need not be made if the taxpayer files his final return and pays the balance of the tax due thereon within forty-five (45) days following the end of the taxable year.
- E. On or before the last day of the fourth month of the calendar or fiscal year following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due the City of Centerville shall be paid therewith in accordance with the provisions of Section 5 hereof.

SECTION 8. DUTIES AND POWERS OF THE SUPERINTENDENT OF TAXATION

- A. 1. It shall be the duty of the Superintendent to receive the tax imposed by this Ordinance in the manner prescribed herein from the taxpayers; to keep an accurate record thereof; and to report daily monies so received.
- 2. It shall be the duty of the Superintendent to enforce payment of all taxes owing the City of Centerville, to keep accurate records for a minimum of five (5) years showing the amount due from each taxpayer required to file a declaration and/or make any return, including taxes withheld, and to show the dates and amounts of payments thereof.
- B. The Superintendent is hereby charged with the enforcement of the provisions of this Ordinance, and is hereby empowered, subject to the approval of the City Council by motion, to adopt and promulgate and to enforce rules and regulations relating to any matter or thing pertaining to the collection of taxes and administration and enforcement of the provisions of this Ordinance,

After the hearing the Superintendent shall withdraw the assessment or he shall adjust or reaffirm the assessment and it shall then become final. If no protest is filed as herein provided, such proposed assessment shall become final fifteen (15) days after being served.

(b) After a proposed assessment becomes final, notice of such final assessment shall be issued and shall be served in the same manner as a proposed assessment.

(1) A taxpayer shall have fifteen (15) days after the date the final assessment was served or mailed within which to file written notice of appeal with the Board of Tax Appeals. Such written notice of appeal shall be filed in a sealed envelope plainly marked "Appeal to Board of Tax Appeals" and mailed or delivered to the Superintendent who shall within five (5) days after receipt thereof, deliver such appeal to the Chairman of the Board of Tax Appeals, or if the Chairman is not available, to the Vice-Chairman.

F. When an application for deferred payment of tax due is filed by a taxpayer, the Superintendent may authorize partial payments of unpaid taxes when, in his judgment, the taxpayer is unable, due to hardship conditions, to pay the full amount of the tax when due, and when, in his judgment, such deferred payments are the best means of accomplishing the intent of this Ordinance. Provided, however, that the Superintendent shall not authorize an extension of time for the payment of said taxes due for more than six (6) months beyond the date of the filing of the application.

SECTION 9. INVESTIGATIVE POWERS OF THE SUPERINTENDENT--PENALTY FOR DIVULGING CONFIDENTIAL INFORMATION.
