The Centerville Community Improvement Corporation Meeting was held at this time. Dr. Gresham presided over the meeting. The purpose of the meeting was to discuss real estate matters and personnel in an Executive Session.

Mr. Horn announced that Mr. Locke, NVR, Inc. dba Ryan Homes, had requested the public hearing for the Preliminary Development Plan for the property at 700 East Alex-Bell Road to be delayed until the August 17, 2015 Council Meeting.
