Mr. Horn reported on the five-year lease agreement between the City and Centerville-Washington History for use of the buildings known as the Asahel Wright complex at 26 North Main Street. Although a few modifications were made, the agreement was very similar to the previous lease. A resolution was on the Consent Agenda for the following Council Meeting.

After discussion, Council concurred that they will table the Pre-Sale Inspection Ordinance at the following Council Meeting. Council and staff have had discussions with the realty groups in our area. Council would like more time to consider this issue. It was suggested that it could be revisited at the next Council Retreat in 2016. It would be up to the new Council if they wanted to discuss it further at the retreat.

Mayor Kingseed, Deputy Mayor Compton and Councilwoman JoAnne Rau were scheduled to meet with the Sugarcreek Township Trustees on Tuesday, September 22, 2015.
