Mr. Horn noted that he and staff continue to meet with Mr. George Oberer, Jr. and his team with regard to the Cornerstone Development. There is nothing new to report on the development of the Dewey's Pizza property.

Mr. Horn reported that diseased ash trees are coming down around the City, and some are not getting replaced. We have lost the trees due to the Emerald Ash Borer. Mr. James said that there have been hundreds of trees affected, especially at Stubbs Park and the Golf Club at Yankee Trace.
