Dr. Hinshaw was not able to be present because of a health issue, so Mr. Horn reported briefly on the legislation for refinancing of the General Obligation and Special Assessment debt being presented as Emergency Ordinances at the following Council Meeting.

Mr. Horn noted that the City had received several emails with regard to the Solicitation Ordinance. The greatest concern seemed to be the school-aged kids and booster groups who do fundraising. It was expected that Chief Robertson would be attending the following Council Meeting to answer questions. Since Council had not had a chance to discuss the Ordinance during a work session, the consensus was to table the matter to a future date. Since the Ordinance was tabled at the July 15, 2013 Council Meeting, the public hearing remained open for citizens to speak this evening.

Mr. Beals reminded Council that the 16<sup>th</sup> Annual Kalamian Golf Tournament is scheduled for Monday, September 9 at Yankee Trace and will be followed by the Pig Roast. He asked if Council would be interested in a Hole Sponsorship as had been done in the past. Council concurred to move forward and will sponsor a hole in this year's tournament.

Dr. Gresham made a motion to convene into Executive Session regarding Litigation. Mrs. Kenley seconded the motion. A roll call vote resulted in <sup>DAJ</sup>four <sup>FIVE</sup> ayes. Mr. Cline entered the meeting during the Executive Session. After no official business was conducted, Mrs. Kenley moved that Council adjourn out of Executive Session. Dr. Gresham seconded the motion. A roll call vote resulted in ~~five~~ <sup>SIX</sup> ayes in favor of the motion.
