Mr. Horn reported that he had spoken to Mr. Tracy Williams, Interim Director for the Library. Mr. Williams stated that the Library does not have a way to hear personnel appeals to deal with grievances or to proceed with due diligence for disciplinary action. The Library District Board Members are requesting to use the City Personnel Appeals Board. Mr. Williams stated that they would pay for any attorneys' fees. The City would agree to allow its board to hear appeals for the Library. Council concurred to move forward with exploring the possibility of allowing the Library to piggyback onto the City's Personnel Appeals Board. Mr. Horn also mentioned that he had given Mr. Williams a brief overview regarding the Woodbourne Library access drive and where that situation stands.
