Mr. Horn reported that the Bid-opening was held on Friday, December 21, 2007 regarding the purchase of golf carts for Yankee Trace. Staff is recommending that we accept the EZ-Go RXV Model. It is the intent of the City to use these carts for five years and E-Z Go has offered a five year warranty on the batteries. E-Z Go has also agreed to provide a custom paint color at no additional cost. Council will vote on this legislation at the Council Meeting following this Work Session Meeting.

A meeting is scheduled with representatives of Hope Methodist Church, Lofino's, Bear Creek Capital and the City within the next week or so regarding land purchase and roadway development. Mr. Horn reported that the City has shared the engineering report with the Church for the proposed Miami Valley Drive East extension. Mayor Kingseed said he is available to attend the meeting as well.

Debra A. James
Clerk of Council
