Mr. Horn announced that there may be a need for a Special Council Meeting on December 29, 2008 with regard to year end appropriation amendments. It was determined that there would be a quorum if the meeting is needed.

Mr. Horn and Mr. James reported that last week was the first week of the automated refuse program. It was not trouble-free; it is felt that some additional instruction will be needed to resolve the issues that have been encountered. A follow-up letter will be sent to the participating residents reminding them of the instructions that need to be followed in order to allow for the efficiency of the new equipment.

Mr. Compton reported that, at the following Council Meeting, he will abstain from the vote on the bid for carpeting at the Yankee Trace Clubhouse because he has a conflict of interest.

Dr. Gresham made a motion to convene into Executive Session regarding litigation. Mr. Cline seconded the motion. A roll call vote resulted in six ayes in favor of the motion. After no official business was conducted, Mr. Cline made a motion to adjourn out of the executive session. Dr. Gresham seconded the motion. A roll call vote resulted in six ayes in

favor of the motion.
