Mr. Horn announced the Open House for the Centerville-Washington Park District being held Monday, February 26, 2007, at the Centerville High School West Commons to view the plans for the Oak Creek South Park Master Plan. It is being held from 6:00 - 8:00 p.m.

Upon question of Mr. Singer, he wanted to know if Council had reviewed the documents for the Washington Township Fire Department which the documents are part of their accreditation process. Discussion followed relative to the Strategic Plan and the Standards of Response Coverage documents. Fire Chief, Ken Parks, will give a presentation at the Council Meeting following this Work Session. The possibility was raised that Chief Parks could be invited to come to a future Work Session to discuss the documents in more detail.

Dr. Gresham explained that the Sister City Committee has received correspondence with regard to establishing a Sister City relationship with the City of Newry in northern Ireland. Council is interested in moving forward to gather more information about forming a new Sister City relationship.

Approved

Douglas C. Cline, Deputy Mayor

Debra A. James
