Mr. Horn explained that he had talked to former Mayor, Sally Beals, and she wanted to know if Council would be interested in pursuing a community clock that would be located on the northeast corner of Main and Franklin Streets. It was discussed by Council several years ago. Mrs. Beals indicated that the Centerville Washington Foundation is looking for a project to help support; and she and her husband have also established a foundation and are interested in financially participating. It was suggested that tenants from the Heart of Centerville be consulted and for Staff to investigate what exactly we are looking at from a cost standpoint.

Dr. Gresham left the meeting to attend the Yankee Trace Homeowners Association meeting.

A review of the Capital Improvement Program 2007 – 2011 for the City of Centerville by the Council Finance Committee of the Whole followed with Chairman, James Singer, presiding. Dr. Gresham returned to the meeting during the review of the CIP.
