Resident James Reppert

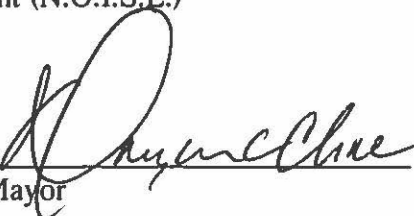

Mr. Horn advised that FEMA flood mapping is being updated for this entire community. Some locations have been included in this remapping which were not included previously. Residents who never had flood insurance in the past are now being informed that they must subscribe.

Mr. Horn reported that the inventory of dumpsters in the City of Centerville is continuing by City Staff in order to determine which ones would be grandfathered from screening.

Mr. Horn announced that it appears that Panera Bread is back on for their location at Main and Franklin Streets. Easements for this project as well as the public parking lot are on the Council Meeting Agenda.

In answer to a question of Mrs. Lienesch, Council concurred that the City continue to pay the annual membership fee of \$770.00 to the National Organization to Insure a Sound Controlled Environment (N.O.I.S.E.)
