Discussion followed relative to the Home Occupation Ordinance that is scheduled for a Public Hearing on the Council Meeting Agenda. The Home Occupation issue has been discussed by the Planning Commission for the last year.

Mr. Horn reported that Mr. Huff (Washington Township's Administrator) is attempting to schedule a meeting with the City, Washington Township, City of Dayton and the Montgomery County Transportation Improvement District; for the possibility of a three-way JEDD with the southwestern area of Austin Pike and Yankee Street.

Mrs. Lienesch inquired about the possibility regarding the painting of the water towers (located by Tower Heights Middle School) - if the City Beautiful Commission would be interested in helping to pick out a paint color for the towers.

Mr. Horn announced that the City would be offering flu shots through the Combined Health District of Montgomery County on October 18th from 1:30 to 3:45 pm at the City Hall Building. We are requested that the injections be scheduled on an appointment basis only.
