Resident Phillip Whittaker

Miss Gilleland explained an Opt-in natural gas aggregation program being developed using the Miami Valley Communications Council which could provide residents a savings of approximately \$80.00 per year on natural gas. An Opt-in electric aggregation is not possible at this time due to the provisions in the Ordinance approved by the electorate. The Opt-in natural gas aggregation will be available to residents starting with November 1, 2003. There should be an Opt-out program available for both gas and electric in 2004. The Resolution which is an agenda item for the Council Meeting this same date provides for an Opt-in aggregation program for natural gas and Opt-out aggregation programs for both natural gas and electric in the future.

Mr. Horn advised that grinding will begin on State Route 48 on September 22, 2003 and will take approximately one week. Resurfacing will take place following the grinding and will be put in place during the night.

Mr. Cline announced the following Create the Vision Meetings:

Steering, Outreach and Publicity Committees - Wednesday, September 17, 2003 to begin at 7:00 P.M. at the Washington Township Fire Headquarters.

Public information meeting - Wednesday, September 24, 2003 to begin at 7:00 P.M. at the Centerville High School, South Commons.

Information to public officials - Wednesday, October, 1, 2003 to begin at 7:00 P.M. at the Washington Township Fire Headquarters.

Mr. Horn advised that a Stormwater Drainage Task Force meeting has been scheduled for Thursday, October 16, 2003; and a meeting of the Streets and Highways Council Committee on October 23, 2003.

Marilyn J. McLaughlin, Clerk of Council
