Mr. Horn advised that the BUY.COM Dayton Open Golf Tournament at The Golf Club at Yankee Trace, held July 8 - 14, 2002 was a big success.

Mrs. Gilleland reviewed the proposed second three year contract between the City of Centerville and the Centerville City School District for the presence of City Police Officers at school buildings located within the corporate limits of the City of Centerville. Sixty percent of the officer's time is spent on school activities. The School District reimburses the City for fifty percent of the officer's time. The proposed contract is the same passed three years ago with a slight increase in costs.

Mayor Beals brought attention to a letter received from five residents in Village South relative to the Voss Special Approval Application for the construction of an auto body facility on the north side of Loop Road. Several questions were raised in this correspondence. Council concurred that these questions be answered by Municipal Attorney Robert Farquhar and a copy of his response be supplied to members of Council.

Mayor Beals advised that, due to the absence of some members of Council on July 22, 2002, a Work Session would not be held unless deemed necessary.

Mr. Horn announced that Washington Township is moving forward with the placement of Fire Levies on the November, 2002, election ballot. Upon suggestion of Mr. Singer, Mr. Horn will write a letter to the Washington Township Fire Department to again encourage Certification.

Marilyn J. McLaughlin, Clerk of Council
