Mr. Stone moved that Council convene into Executive Session to consider the appointment of a Public Official. Mr. Kingseed seconded the motion. A roll call vote resulted in six ayes in favor of the motion.

Following the Executive Session, Mrs. Lienesch asked that "Road Enhancement Program, Centerville Station Road update" be added to the Agenda for the Council Retreat scheduled for February 19 and 20, 1999.

Mrs. Lienesch stated her lack of support for the amount of funding included in the 1999 Budget for the City of Centerville for the Centerville Washington Township Historical Commission in consideration of their lack of effort to secure historic stone houses located in the City of Centerville on the National Register of Historic Places.
