Mr. Horn reviewed for Council information relative to the current utilization of the Indoor Golf Academy at The Golf Club at Yankee Trace, and food service in The Gallery and in the banquet area. The month of December was very slow in the golf academy but food service was at an all time high.

Mr. Horn informed City Council that renovation at the City's South Suburban Annex Building is underway.

Mr. Horn outlined a minor amendment recommended for Ordinance Number 41-95 and Ordinance Number 43-95, the Ordinances which establish class titles, pay ranges, grades, rates of pay, and regulations for regular and Yankee Trace employees of the City of Centerville, which are Agenda items for the Council Meeting following this Work Session. Recommended is the following change to Attachment A, the Unclassified Manager Appointed category:

Sentence to read as follows "The amount of merit payment shall be based upon performance up to the maximum amount of the pay range, at any time during the year.

Council concurred with this amendment.

Marilyn J. McLaughlin
Clerk of Council
