Mr. Horn brought attention to correspondence recently received by the City of Centerville from State House of Representative Robert Corbin relative to support for a change in the speed limit on I-675 to 65 MPH, thus establishing one consistent speed limit on said interstate.

Mayor Beals advised that the Annual Volunteer Salute has been scheduled for Thursday, April 11, 1996 at the Gallery at Yankee Trace. Invitations are in the process of been mailed.

Mr. Horn reviewed for Council a recommendation from Superintendent of Golf John Miller relative to the purchase of a pond aerator for The Golf Club at Yankee Trace. Mr. Miller recommends that said purchase be made from the Wolf Creek Company for a total price of \$12,366.66. Council concurred with the recommendation submitted by Mr. Miller.

Mr. Horn proposed the location of a sports-type snack grill bar for golfers at The Golf Course at Yankee Trace, along one wall and in one area of the academy room during the golf season. This would provide a more relaxed atmosphere for golfers before and after the game is played.

Briefly discussed by members of Council was the reappointment of James Durham as a member of the City Planning Commission. Upon contact by Council Liaison C. Mark Kingseed, Mr. Durham expressed his desire to continue his service to the City of Centerville in said capacity. Council concurred with said reappointment.
