PRESENT: Mayor Sally Beals

Clerk of Council Marilyn McLaughlin
Assistant Clerk of Council Peggy Whisman
Assistant to the City Manager Judith Gilleland
Director of Finance William Bettcher

Mr. Bettcher outlined the new form for the Tax Budget for 1997 to be submitted to the Montgomery County Budget Commission. He pointed out the fact that this is a Tax Budget and not an operating budget. In accordance with the Ohio Revised Code this budget must be adopted by the Council on or before July 15 and submitted to the Budget Commission on or before July 20. This budget has been set for Public Hearing during the June 17, 1996 Council Meeting.

Mayor Beals brought attention to discussions during joint meetings between the Council of the City of Centerville and the Board of Trustees of Washington Township relative to annexation notifications. Following discussion and a review of minutes of joint meetings, Council concurred that no notification is necessary to the Trustees of an annexation prior to its filing with the Montgomery County Commissioners.

Mr. Kingseed suggested that the possibility of a youth curfew in the City of Centerville be analyzed by the Public Health and Safety Council Committee. Additional information relative to this issue will be forthcoming to City Council.

Mr. Stone suggested that consideration be given to the draft of an Ordinance to regulate the control of cats.

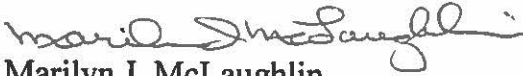

Miss Gilleland reviewed a memo prepared by Maureen Hodgson relative to the rental of a float by the City of Centerville to be placed in the Americana 4th of July Festival Parade. The cost of the float rental would be \$3,000.00 plus \$250.00 to add a roof and round out the gazebo to better represent gazebos in the City of Centerville. This

cost does not include a unit to tow the float nor a driver for the unit. As a result of discussion and the fact that the City is so involved providing service in many aspects of the Festival, Council concurred not to proceed with the rental of a float for the parade.

Mrs. McLaughlin announced the term expiration of Charles Graham as a member of the Board of Architectural Review. Council concurred to reappoint Mr. Graham as a member of the Board of Architectural Review. This will be an agenda item for the June 17, 1996 Council Meeting.

Mrs. Lienesch gave a brief update on Washington Township's financial support for the Washington Township Recreation Center and the center's long range objectives for 1996-1998.

Mrs. Beals brought attention to a letter received from Moraine Mayor Roger Matheny encouraging the Centerville Council to consider the passage of a Resolution in opposition to the closing of the Solid Waste Disposal District north and south incinerators. Due to the fact that the position of the Montgomery County Commissioners relative to this issue is not known at this time, Council concurred to delay addressing this issue at the present time.

Marilyn J. McLaughlin
Clerk of Council
