## RESOLUTION NUMBER 64-95 COOPERATIVE SUPPORT WITH CENTERVILLE SCHOOLS ILLEGAL DRUGS AND ALCOHOL CONTROL

Mr. Singer made reference to a proposed Resolution of cooperative support for enforcement in the Centerville Schools against the use of illegal drugs and alcohol. Mayor Heintz read this proposed Resolution prepared by the Centerville School Board. She stressed the importance of renewing efforts to eliminate illegal drugs in the Centerville-Washington Township Community and prohibit the use of alcohol by minors. Mr. Compton explained the fact that at a recent meeting attended by City, Township and School officials, all agreed that the elimination and reduction of the use of illegal drugs and alcohol by minors is a Community effort and should be supported by all entities. Mrs. Beals pointed out that while this message is being sent to our youth and efforts are being made to keep schools safe, special attention must be given to the Constitution, Fourth Amendment Search and Seizure. She recognizes the intent of the proposed Resolution to search out and use the full extent of the Constitution in regards to probable cause. She expressed her concern that relationships law enforcement agencies have established with young people can be destroyed if not handled properly; officials must be mindful of the strict interpretation of the Constitution with probable cause being foremost.

There being no further business, the meeting was adjourned.
