Council concurred that all six reappointments be made.

Mayor Heintz reviewed correspondence relative to State Issue Two which will be before the electorate on November 7, 1995. Proposed is the renewal of Issue II moneys to help local governments with infrastructure improvements as in the past, and to provide revenue for state highway improvements. If this issue fails on November 7, Issue II moneys will run out at the end of 1995. The majority of Council concurred that the electorate be made aware of the fact that this is an issue on the ballot and that the City of Centerville has received Issue II moneys for some of the City's major roadway improvements.
