Mayor Heintz reminded City Councilmembers of the Theatre Under The Stars to take place at the Amphitheater in the Leonard E. Stubbs Memorial Park beginning July 22, 1994 at 8:30 PM. An opening reception will take place prior to the performance to which all members of Council are invited.

Mr. Horn informed City Council that The Ohio Department of Development has made a preliminary commitment of up to \$30,000 to share in the cost of extending South Suburban Road east to Clyo Road.

Upon consent of City Council, Mayor Heintz advised that the Work Session previously scheduled for July 25 will be delayed until August 1, 1994.

General discussions followed relative to the poor condition of trees on Franklin Street, status of the Yankee Trace Golf Course completion, completion of drainage improvements in the Terrace Villa Plat, and Municipal Code requirements relative to bicycling in the City of Centerville.

Following the Council Meeting this date, Council reconvened into Work Session to discuss concessions which could be made between the City of Centerville and Washington Township to stop annexation fights.
