Mr. Kenning advised that the pre-construction meeting for the Whipp Road improvement project has been scheduled for March 20, 1992.

Discussion followed relative to a proposal submitted by Mr. Victor Green concerning the development of the Centerville Golf Course Community. Council concurred that Mr. Green be invited to discuss this proposal with City Council during a Work Session Meeting. Springboro City Manager William Covell will also be invited to a Work Session to discuss the development of the Heatherwood Golf Course project by the City of Springboro. Mr. Beasley stated his opposition to the proposal submitted by Mr. Green.

Mayor Heintz outlined for Council items included in correspondence received from the Centerville Arts Commission. The Commission proposed a name change to "Centerville Area Arts Commission". The majority of Council concurred that the name remain as first established. In response to other items contained in the correspondence, Mr. Kenning identified what is being done for performances in the Amphitheater at the Leonard E. Stubbs Memorial Park. Mr. Kenning will further research types of surfaces available for the parking area in lieu of asphalt.

Mr. Compton suggested that the Centerville City Council and the Washington Township Trustees meet to jointly discuss the future for Seniors, Inc. and formation of a Recreation District. Perhaps this Meeting could be scheduled for March 30, 1992.
