Mr. Kenning announced the receipt of an Award to the City of Centerville from the Ohio Crime Association for the City's Mystery Night held in Centerville in 1991.

Mr. Kenning advised that correspondence has been received from the Public Employees Retirement System of Ohio, finding that Municipal Attorney Robert Farquhar was serving as an independent contractor during February 1, 1969 through June 30, 1991. Consequently, Mr. Farquhar was not amenable to compulsory contributing to the PERS during that period of time.

Mr. Kenning outlined the process to be followed in the submission of Applications for the Centerville Golf Course. Applications will be submitted to the Montgomery County Planning Commission, the Washington Township Zoning Commission and finally to the Washington Township Trustees. Preliminary work may begin June of 1992.

Mr. Compton, speaking as Chairman of the Mayor's Committee to Study Intergovernmental Issues, outlined meetings held by the Committee and factors considered. Discussion followed relative to the options listed for the City's future.

Mr. Victor Green was present at this meeting to review for Council his proposal for the development of residential pods in and around the Centerville Golf Course.

By motion of Mr. Stone, seconded by Mrs. Beals, Council convened into Executive Session to consider the appointment, employment, dismissal, discipline, promotion, or compensation of a public employee or official of the City of Centerville. A roll call vote resulted in seven ayes in favor of the motion.
