Mayor Heintz outlined for Council a meeting she recently had with Washington Township Trustee President Harry Drain. During this meeting future City Township relations and cooperation were discussed.

Mayor Heintz made reference to correspondence received from City of Dayton Mayor Richard Clay Dixon relative to "Salute to the People of NCR", an effort to unite sectors of the Dayton Metropolitan Area to give "Thanks" to NCR and its people for more than a century of service and leadership in our community. The event will take place on Sunday, February 24, 1991, University of Dayton Arena, from 2:30 PM to 4:00 PM. The majority of Council concurred that the City of Centerville be listed as a sponsor of this event.

Discussion followed relative to a proposed Contract with Gene Bates and Associates, Inc., for planning, engineering and design of the Centerville Golf Course. Concern was expressed with certain portions of the proposed Contract. This matter will be further discussed by City Council.
