Mayor Heintz briefed City Council on a meeting recently held with representatives from the Centerville-Washington Park District Board relative to recommendations made by the Stormwater Drainage Task Force Committee in response to the Stormwater Management Master Plan prepared by Camp Dresser & McKee, consultants for the City of Centerville. Options are currently being reviewed by the Park District Board.

Municipal Attorney Robert Farquhar reviewed for Council an opinion rendered by the Court of Appeals in the case of "Annexation of 466.112 acres from Washington Township, Montgomery County, Ohio, to the City of Centerville". The Court of Appeals overruled the City of Centerville and affirmed the judgment by the Court of Common Pleas. This matter will be further reviewed with Mr. Farquhar and Attorney Richard Brahn present at a Council Work Session Meeting scheduled for November 4, 1991.

Mrs. McLaughlin announced the term expirations of Robert J. Hosfeld and Peter W. McMahon as Members of the Planning Commission on November 16, 1991. Council concurred that said reappointments be made. This matter will be added to the Council Meeting Agenda to follow this Work Session.
