Assistant to the City Manager Judy Gilleland

Mr. Haverland reviewed a proposed Resolution authorizing an Agreement with Altick & Corwin to act as general legal counsel for the City of Centerville. This legislation was added to the Council Meeting Agenda following this Work Session.

Mayor Heintz brought attention to a response recently received from the Centerville/Washington Park District to Council's correspondence relative to the installation of a dry detention basin in the Iron Horse Park. Input was requested from City Manager Darryl Kenning and Municipal Attorney Robert Farquhar to determine the City's future course of action.

Discussion followed relative to the City's response to the Washington Township Board of Trustees concerning matters discussed during a Joint Meeting held November 25, 1991. A letter will be drafted by Councilmember Brooks Compton offering a compromise that the City not proceed with additional annexations for six months provided City owned property in Washington Township comes into the City of Centerville immediately. Council concurred that a time limit for response be placed on the Trustees.
