Discussed during this meeting were long range recreational projects for the City of Centerville.

After discussion about the 1990 Street Improvement Program, Council authorized the City manager to add \$150,000 to this year's budgeted amount, to include more streets.(\$500,000). Also, the long range planning by the Streets and Highways sub-committee for a comprehensive program to repair and resurface every street in Centerville, should be brought to the attention of the public when it is released.

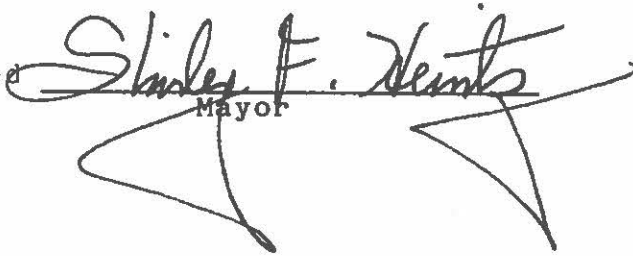

Mayor announced that there will be a lawn care and composting seminar sponsored by the City Beautiful Commission, on Wednesday June 13, 1990 at 7:30 p.m., in Council Chambers.

Discussion by Council about recycling in Centerville, and the County bid process for the acceptance of recyclable materials from local municipalities. The Rumpke Corporation was low bid at \$5 per ton.

After discussion of Urban Design Plan for the APD district, consensus was reached by Council that they do not want to start the construction phase this year unless it will be guaranteed to finish before the holiday season.
