Mr. Kenning advised that nine clip and send inquiries have been received by the City of Centerville as a result of the City's advertisement in the Pace Magazine.

Mr. Kenning suggested to Council that the City of Centerville perform gas line inspections instead of Montgomery County or a private company beginning the first of 1989. The City's Inspectors are qualified to perform this task. Emergency legislation may be necessary in order to implement this service January 1.

Mr. Kenning announced Mayor Marjorie Carroll's defeat in the recent election for Mayor held in Waterloo, Ontario Canada.

Mr. Kenning advised that a letter has been received requesting the cancellation of an Appeal filed on behalf of Bob Ross Buick, Inc. by Paul J. Striebel for property located at 1 Loop Road. The Appeal was filed against a requirement that sidewalk be installed along State Route 48 in conjunction with an addition to a principal building.
