            Councilmembers Bernard Samples
                          J. V. Stone
                          Charles Taylor
                          James Singer
            Clerk of Council Marilyn McLaughlin
            City Manager Darryl Kenning

Alleged activities at a Centerville Business were discussed
by Council. This matter will be further reviewed by Mr. Kenning.

Mr. Kenning reviewed with Council a letter received from
Municipal Attorney Robert Farquhar relative to the City´s
establishment of a Civil Service Commission and to certify
payroll for the Centerville City School District. Mr. Kenning
will further review this matter with the Municipal Attorney.

Mr. Kenning reviewed for Council 1986 ending balances,
encumbrances and unencumbered balances, and defined differences.

Discussion followed relative to better liaison between the
City of Centerville and local businesses. Mr. Taylor suggested
that somewhat of a structured program be developed, and that
small areas of the business community be invited to participate
in this program at City hall. This would provide an update and
exchange of information between business and local government.
Mr. Singer emphasized the importance of City Officials visiting
the larger businesses periodically. Council concurred that
meetings be scheduled between City Officials and the business
community on a bi-monthly basis, staggering locations (one month
at City Building, one month at a business establishment), and
that the meetings at City hall be structured to a point.

Council discussed the South Metro Chamber of Commerce and
what the Chamber could do for the City of Centerville.

Mr. Kenning reported that sidewalk replacement has begun in
Rose Estates.

Mayor Heintz stressed the need for the location of a drop-
off area at the Centerville Branch of the United State Post
Office. This matter will be pursued by the City Manager.
