

CENTERVILLE CITY COUNCIL
WORK SESSION MEETING
JANUARY 7, 1985

TIME: 7:30 P.M.
PLACE: Centerville Municipal Building, Caucus Room, Law Library

PRESENT: Mayor Shirley Heintz
Deputy-Mayor Charles Taylor
Councilmembers Jeffrey Siler
J. V. Stone
Brooks Compton
James Singer
Bernard Samples
Clerk of Council Marilyn McLaughlin
City Manager Darryl Kenning
Assistant City Manager Jon Bormet

Mr. Kenning reviewed a proposed emergency and regular Ordinance to amend the Ordinances previously passed by Council to provide that the City pay 6 of the 8 percent mandatory employee retirement contributions to the Public Employees' Retirement System and the Police and Firemen's Disability and Pension Fund. These amendments are necessary in order to conform to Internal Revenue Service requirements. The proposed Ordinance also includes some very minor clarification changes to the previous Ordinances.

The Meeting recessed and reconvened at this time to provide for a very short Special Council Meeting.

Mr. Kenning reviewed for Council the formation, operation and procedures of the Miami Valley Cable Television Council: The Council, The Board of Trustees and The Govtech Committee. The Board of Trustees is a Sub-Committee reporting to the Cable Council on all matters dealing with cable activities. The Govtech Committee is a Sub-Committee dealing with non-cable activities.

Following discussion by Council of the future development of the Leonard E. Stubbs Memorial Park, Mayor Heintz will respond to Mr. Tom Stolz to clarify the City's position on certain proposals.

Mr. Kenning reviewed "LOGIN", a national information network system to retrieve information concerning projects in which Municipalities are involved. The estimated cost to the City of Centerville is \$1,000.00. Mr. Kenning did not recommend that the City of Centerville join this system at the present time.

Mr. Kenning advised that the Rotary Club has proposed the erection of signs identifying the City of Centerville as the home of the AAA Soccer Champs in 1984, signs to be erected at Corporation Lines for viewers entering the City. In consideration of the many other achievements accomplished by residents of Centerville and the danger of overlooking one just as important, the majority of Council concurred that this project not proceed.
