

CENTERVILLE CITY COUNCIL
POLICY REVIEW
AUGUST 5, 1985

TIME: 6:00 P.M.
PLACE: Centerville Municipal Building, Law Library

PRESENT: Mayor Shirley Heintz
Deputy-Mayor Charles Taylor
Councilmembers Jeffrey Siler
Brooks Compton
J. V. Stone
James Singer
Bernard Samples

Items discussed during this Meeting were as follows:

1. Hot Air Balloons - Suggested restrictions will be reviewed.
2. Alexandersville-Bellbrook Road - Concensus that widening would be too expensive as a City alone project. Montgomery County bridge plans between Loop Road and Clyo Road will be reviewed. Traffic counts should be made upon the completion of I-675, Bigger Road and the extension of Clyo Road.
3. Architectural Preservation District - Replacing the current mercury vapor lights with decorative lantern type fixtures will be explored. The traffic lights at Main and Franklin Streets should become more appropriate for the A-P District.
4. Fire Department - A joint fire district was discussed, information relative to legal drawbacks is needed. Fire Chief Randall Staley should be invited to a future Meeting of Council to discuss future plans for the Washington Township Fire Department.
5. City Planning Commission - Attendance will be monitored at Meetings.
6. Liquor Control Ordinance (Keg) - Proposed revisions were discussed.
7. MCD Equipment - The Company's formal protest was discussed relative to a Bid being awarded to another supplier. The question arose as to whether the City should have a policy regarding this type protest.
8. 911 - A 911 Committee has been activated in Montgomery County. If the Plan is formalized, there will be a cost to local governments
9. Committee on Bicycling - Members are Wanda Molen (Chairman), Barry Ryan, Bill Talbot, Ben Rice and Jeanne Eickman. Mr. Siler will serve as the Council Liaison.

10. Subcontracting - The consensus was that this matter be discussed with the Service Department.
