Mayor Stone explained the fact that Mr. Jack Langreck, a teacher at the Centerville High School and resident of Centerville, will be leaving for Germany on Saturday, July 11, 1981, and plans to visit Bad Zwischenahn. He is interested in becoming a member of the Sister City Committee and in representing the City in such capacity during his visit to Bad Zwischenahn. Because of the importance of this representation, Mayor Stone recommended that Mr. Langreck be appointed to the Sister City Committee by Emergency Ordinance.

Mr. Kenning reviewed the two bids received for the purchase of two 1981 police vehicles for the City of Centerville. The two bidders being Stengers Ford, Inc., Dayton, Ohio, and MacIntire Chevrolet, Inc., Akron, Ohio. He recommended that the bid of Stengers Ford, Inc. be accepted, contingent upon the availability of the vehicles at the time of the execution of the Contract. If such vehicles are not available for delivery, then the bid of MacIntire Chevrolet, Inc. be accepted. The bid of Stengers Ford to be accepted with one trade in.

Mr. Kenning reviewed items coming to Council with recommendations from the Planning Commission. Due to their complexity, Mr. Kenning recommended that the Site Plan Amendment for the Centerville Mill and the Site Plan Approval for Walden Place be sent to a Council Work Session Meeting for a complete review. Perhaps the Record Plan for Olympic Industrial Park, Section One, could be considered during the Council Meeting to follow.

Mr. Jack Langreck was interviewed by City Council for appointment to the Sister City Committee. Council concurred with said appointment.
