TIME: 7:30 P.M.  
PLACE: Centerville Municipal Building, Caucus Room

PRESENT: Mayor J. V. Stone

Mr. Richard Siefer was interviewed for a position on the Community Fiscal Analysis Committee (Centerville Precinct U).

Mr. Kenning reviewed a request from the Montgomery County Council on Aging for \$452.00, which was greater than an earlier request of \$311.00 for 1980. Council concurred with the new amount of \$452.00 for Centerville's 1980 share.

Council also concurred with a request from South Montgomery Human Services for \$950.00 to fund the project from October 1, 1980 through December 31, 1980.

Mr. Kenning reviewed the bids received for two replacement police cruisers. Council requested that one of the two used vehicles be sold directly by the City rather than trading it in.

In response to a request from Third National Bank for a meeting to discuss CIC funding, Council placed the item on its April 14, 1980 work session agenda.

Mr. Kenning discussed the status of ROW purchase for the Clyo Road improvement project. Mayor Stone left the meeting at the onset of the discussion due to a professional relationship with parties included in the project.
