Mr. Kenning reviewed the Record Plan for Thomas Paine Settlement Number Three, a development located east of Bigger Road, north of Alexandersville-Bellbrook Road and south of Whipp Road. The Plan as presented includes Clys Road extension, that portion through the subject area. The Record Plan conforms to requirements of City Council several months previous.

Mr. Kenning reviewed the Record Plan for State Route 48 Street Dedication, an area located east of State Route 48, north of Marco Lane and south of Spring Valley Road. The area in question is located partly in Washington Township and partly in Centerville. This Record Plan provides for a frontage road parallel to State Route 48 and is an extension of the existing frontage road in front of the McDonalds Restaurant.

Mr. Kenning reviewed a request from Continental Cablevision of Miami Valley, Inc. for the release of the Performance Bond posted for the construction of cable TV in the City of Centerville.
