Mayor Stone reviewed a self study course and seminar on Community Economic Development being offered at the Ohio State University, Extension Service. The self study course will begin January 12, 1981 and the seminar will be held March 31 and April 1, 1981. He suggested that members of the Centerville Community Improvement Corporation attend this course.

Mayor Stone announced the election of Mr. Sweetman as Chairman of the Cable TV Council for 1981.

Council concurred that their compensation be reduced to a 4 1/2% increase for 1981, keeping in line with the increase to be granted City employees. Legislation will not be changed, this reduction will be done on a voluntary basis.

Mr. Kenning briefly reviewed the Agreement being proposed between the City of Centerville and the City of Kettering to retain legal counsel to represent the area before the Public Utilities Commission concerning the appeal filed by the Dayton Power and Light Company from rights and services established by the street lighting Ordinance. A Resolution authorizing this Agreement is an agenda item for the Council Meeting to follow.
