Mr. Kenning reviewed his proposal that heating and air conditioning installers register before performing work in the City of Centerville. Upon registration the installer would be required to produce a Bond. Concern was offered relative to this effect on the small individual installer. The proposal was referred to the Legislative Council Committee for review and recommendation.

Mr. Kenning reviewed the establishment of a Records Commission to work toward the development of a Records Program in conjunction with the Archives-Library Division of the Ohio Historical Society. The service offered through the Historical Society is free of charge.

Upon suggestion of Mr. Kenning, Council concurred that changes proposed to the Street Construction Standards for the City of Centerville be reviewed by Council during a future Work Session Meeting.

The future use of the Benjamin Archer Park was discussed by Council. As suggested by Mr. Stone, Council concurred that the City retain the property and maintain what facilities are there. Mayor Green suggested that Civic Organizations be encouraged to continue to provide activities at the Archer Park.

Mr. John Spoor, Chairman of the Sister City Committee, gave a status report relative to Centerville's search for a Sister City. The Committee is currently in conversations with a German City - Leichlengan, to become Centerville's Sister City.
