WORK SESSION MEETING  
JULY 10, 1978

TIME: 7:45 P.M.  
PLACE: Centerville Municipal Building, Law Library

PRESENT: Mayor Victor Green  
Deputy Mayor Russell Sweetman  
Councilmembers Nora Lake  
Jeffrey Siler  
Leonard Stubbs  
J. V. Stone  
James Singer  
Clerk of Council Marilyn McLaughlin  
Administrative Assistant Joseph Minner  
Acting City Manager and Chief of Police William Randolph  
City Planner Garth Reynolds

The Meeting began with a tour and review of the operations of the Police Department.

Chief Randolph reviewed for Council the Disaster Preparedness Plan for the City of Centerville. The Plan is periodically changed to keep it current. It has not been approved and therefore not distributed to key personnel. Mr. Sweetman stressed the need for a surprise test of the Plan once it has been approved. The Plan will be distributed to the Council Safety Committee for their review and approval as soon as possible.

Mr. Reynolds reviewed changes made to the proposed Architectural Preservation District Ordinance. Changes have been made under the direction of City Council and the language has been simplified. The Section dealing with signs was reviewed in detail. Council requested that the Ordinance be amended to include the Variance procedure, restricting the Board of Architectural Review's Variance power to signs, architecture and aesthetics.

Mr. Reynolds advised that, concerning the North Main Street Safety Improvement project, the Consultant has requested additional funds, approximately double the original estimate. Mr. Sweetman recommended that this matter be referred to the Safety Committee for study and a recommendation.
