Mr. Kenning reviewed the one bid received for the installation of brick sidewalk along North Main Street. He recommended that this Bid be accepted.

Mr. Kenning reviewed the request of the Dayton Power and Light Company for two easements across Benjamin Archer Park. As suggested by Mr. Sweetman, Council concurred that it be determined the value of the easements before the easements are granted.

Mrs. Nancy Pogue, Chairman of the Youth Board, updated Council on financial activity in the Community to fund the Youth Center. Organizations have offered financial support as well as the youth are soliciting funds. Mr. Kenning recommended that the City continue funding the Youth Center for the remainder of 1978. Council concurred with this recommendation and suggested that outside funds be solicited for part of said operation in 1979.
