The Oath of Office was administered to Planning Commission Member Robert Hopperton by Mayor Green.

Mr. Reynolds reviewed an alternate plan for the development of the Woodman Lanes/David Meeker land located east of Bigger Road and north of Alexandersville-Bellbrook Road. The plan consists of R-4 zoning bordering the extension of Cloy Road, R-3 and R-1 to the south. Council concurred with this concept. The plan will be pursued with the developer and brought back through the Planning Commission.

Mr. Kenning reviewed for Council the Public Hearing held concerning Federal Revenue Sharing Funds for the 1978 budget year. Mr. Bettcher briefed Council on the 1978 Budget to be presented to the Council Budget Commission. An increase in Local Government Funds for the City of Centerville will be pursued for 1978. A general outline will be forthcoming in a few weeks.

Mr. Kenning and Mr. Bishop reviewed snow removal on City streets this past winter and present equipment. The many problems encountered were outlined. Mr. Sweetman suggested that large and small contracts be considered for use next winter instead of increasing the City's fleet of equipment substantially. Mr. Bishop reviewed criteria followed when removing snow from City streets.
