Jeff Dunn and Stephen St. Paul, representing WCWT-Centerville High School station, solicited community involvement in the station and asked for suggestions to improve their news report. Mr. McQueeney suggested that an agenda be sent to the station for Council Meetings.

Mr. Topper reported that the survey taken by the school administration concerning the opening of Judson Road resulted in 50-50 in favor of and against. Some schedule changes in school hours will be made. The School Board will continue to consider the opening of Judson Road. Mayor Green suggested that Judson be opened on an experimental basis, if problem is created, the street could then be closed.

Discussed was the future for the Magsig Building on West Franklin Street. Mayor Green suggested that the building perhaps be used as a Community recreational facility (YMCA). The school administration is pursuing an appraisal of the subject property.
