The school crossing at State Route 48 and Williamsburg Lane was discussed by Council. Due to the fact that the Incarnation School sets back on the property, the State of Ohio will not designate this a school zone. Mr. Kenning advised that the crosswalk has been painted, new signs put in place and the signalization should be updated. He suggested that the City continue to study this matter and request that the State designate this area as a school zone.

Upon suggestion of Mr. Kenning, Council concurred to meet with the Centerville Planning Commission on Monday, November 22, 1976.

Council concurred that David Tooker be appointed to another term on the Personnel Appeals Board. Legislation will be introduced for same at the Council Meeting to follow.

Legislation has been prepared and will be before Council during the Meeting to thank Members who served on the Charter Review Committee.
