John Gieger representing FCC reviewed Traffic study for Center Sector of Centerville.

No Federal money available for northeast corner at Main and Franklin Street. One possibility = \$5.00 license fee money (County Funds)

Ted to pursue recommendations 2, 4, 6, 8 (Publicity), 9 (immediately). Seal alleys so bikes can ride much less dangerous than on Main Street. Alleys should all be one way providing the other lane for walk & bike traffic.

Staff to get to work on all 11 recommendations & get into being.

Preference is Wythe Parish to State Route 48.

Least Expensive.

Extend Zenqel Drive to Cho Road. = there is a need for an east/west street.

Johanne should be extended to Pleasant Hill Drive

Virginie should become a through street.

Maple Avenue off Franklin Street needs upgrading.

Major improvements recommended

Construction of I-675

Rail Transit, must look at mass transit system

Biggen Road must become a through street.

\* Cho Road must be upgraded and extended (\$5.00 license

fee monies available). (Four lane highway) recommend  
boulevard type street for extension only. (eligible for  
Urban assistance)

Normandy Lane to be continued through to Sheehan  
Road. & existing section upgraded.

Wilmington Pike should be upgraded to four lanes  
(Urban assistance available)

East Franklin Street should be widened, signalization  
needs studying & upgrading. (County & Urban assistance  
monies available).

Press State to improve South Main Street to four lanes  
to County Line.

Sketch plan at Kettering Corporation via motion of endorsement  
from Council based on Planning Commission recommendation

Ted to find out whether Franklin Street is four lanes  
east to high school, in consideration to Franklin Street  
improvement. Evangelization Board = John Kidwell,
