

Centerville Council

Work Session

November 11, 1977

Deputy Mayor J. V. Stone

Council Wore taken

Charles McQueeney

Ralph Spencer

Russell Sweetman

Howard Stibbs

Clerk of Council Marilyn McLaughlin

City Planner Robert Wintarkalter

Acting City Manager William Randolph

Administrative Assistant

DPL Contract for lights - change in center of town = double the costs. Administration to work on change to subdivision regulations to require street lights in new subdivisions. Should strive for lighted intersections. McQueeney not in favor of lighting district. Pursue gold fixtures instead of white lights, but continue with present contract for next 3 years. Administration will work on lighting intersections of most need, prepare an entire long range plan.

Sidewalk requirement - sidewalk on both sides, to include waiver provision to eliminate sidewalk on one side (variance) if good reason.

Housing and Community Development Act of 1974 -

Centerville go it alone, Council needs to set up committee to work on matter. Kenning to recommend (Top Priority) procedure for Centerville. Wintarkalter will communicate with Kenning by phone.

Waste Scooters - purchase 4 new type scooters.

~~Kenning to recommend on rate increase.~~ Increase rate to 5.00.

Moving expense for City Manager 800.00 Max.

Reception, invitations to other City officials

Municipal Building, local musician, refreshments

2-5 Sunday

Centerville to clean Drainage Ditch in Concept East. Karl to give price to do. Administration to clean ditch as best can.

East Franklin Street, two approaches to be paid for by property owner.

Solid Waste Disposal Recommendation. Incineration cost to be included on Sanitary Bill. ? ? ? ?
