1 Discussion of Meeting with Doctors.

2 Mr. Petrokus Montgomery County Health Dept.

Full time Sanitarian in Vandalia, 1 nurse

3 Sanitarians in Kettering, 3 nurses

Centerville could have branch office. Space depends on what we want to do. Office space could be just one room large enough to house sanitarian and 1 nurse. 1 girl is assigned to Cent & Wash Twp right now - full time, as nurse.

Advantage of office

accessibility to the people of sanitarian.

records will be kept in this office

← only cost for office would be perhaps a phone.

3 Dr. Schaffner - write for figures & for Greene & Warren County,

4. Community Improvement Corporation Wick is preparing Rules of Regulations - has been incorporated. Regulations should be ready in about a week

5. Industrial Zoning - Additional land.

6. Hill-Smith Property Planning Commission should turn down present rezoning - should be office along City Road

7. Industrial Brochure
