Nick advised of Meeting concerning Activity Center - Either City or Park District. No indication yet as to disposition of it.

Mayor suggested letter be written to Activity Center Trustees of thanks for Meeting. City Manager will do.

Union for City Employees - let them vote, take a hard look at strikes. try to convince employees first of what they are now receiving without a Union, City Manager to talk to the waste collectors individually at home.

Increasing requirements in B-2 Zoning. Building design, landscaping, etc. Perhaps appearance standards in B-2 and I-1 zoning. Nick said it can be done under aesthetic values. Landscaping would make most building appearances what is desired, along with screening. Nick will prepare Ordinance similar to AC Requirements, and have it to the PC on April 25, 1972 Meeting.

Drainage at Chrysler, City Manager will purchase sodding of fill and black top of parking area prior to construction.

will not. Dick says City should not participate financially.
City Manager assured Council Building Permit will not be issued
until problem is solved.

City Manager and Mayor will encourage annexation of
vacant lands to Centerville. Will research possibility of
survey to put question on the ballot.
