

Council Work Session

March 24, 1969

Sharp property, on Route 48.

Offer will be made on this property, contingent upon his being able to get access to Rt. 48 for \$105,000.00 (to include 60' right of way.)

Lagedrost property, consists of 8 acres.

Clark is interested in giving us right of way from Sharp property to Rt. 48 because maybe this way he could get a change in zoning for his property.
